In view of the fact that all pertinent data pertaining to the subject was reported in rerep, the initial report in instant case, a summary report is not being prepared.

Subject is currently residing with CHARLES DENNISON ROWLAND, a security index subject (Bufile 100-355009).

Inasmuch as subject was a member of the South Tashjian Club, Midtown Division, Los Angeles County Communist Party in July, 1950; a member of the Hollywood Arts, Sciences, and Professions Council in September, 1951; the fact that HULL resides with a security index subject, and subject's refusal to talk to the FBI, it is felt that subject's sympathies still tend toward the Communist Party.

In view of the above, it is recommended that subject be included on the Security Index.

SUCCINCT RESUME OF CASE

The subject was a member of the Communist Party (CP) in 1948, 1949, and 1950. In 1950, the subject recruited one person into the Los Angeles County Communist Party (LACCP). In 1950, the subject went to Mexico to escape possible roundup of CP members. In 1950, the subject was expelled from the LACCP on charges of being a homosexual. In 1952, the subject registered to vote and indicated his desire to affiliate with the Independent Progressive Party (IPP). In 1954, HULL was still affiliated with the IPP. In 1950 and 1951, the subject was associated with the Hollywood Arts, Sciences and Professions Council (HASP). In 1952, the subject refused to be interviewed by the FBI.
